

Enjoy music on the move with USB-powered speakers

iCube
multimedia speakers

Amalgamation of style, convenience and performance

A true companion to your smart laptop or Desktop! Its smooth piano finish body adds to the style to your work.

Though being a Lightweight and portable cube, it delivers enthralling rich and clear audio playback with outstanding bass.

USB plug and play convenience

One single USB connector is all you need for both power and audio. There's no need for a bulky power adapter, making it ideal for notebook users on the go.
